On behalf of the *Lynda Jackson Macmillan Centre* and the *Mount Vernon Cancer Centre Charitable Fund*, I would like to say a heartfelt thank you for your generous donation of £551.25 and ongoing support.

Your kind donation will help us support the thousands of local patients and families affected by cancer each year who visit the centre by funding vital services such as information and advice, adapted virtual counselling and support groups as well as complementary therapies that are all provided by our team.

As a small local centre we rely heavily on the generosity and support of the community, and we will continue to work very hard to improve our services and facilities for all of our patients and families.

If you would like to receive information about the vital work we do, our fundraising appeals and opportunities to support us; please do complete the attached consent form and return to us. Alternatively, this can be completed online here [www.enhcharity.org.uk/forms/lets-keep-in-touch](http://www.enhcharity.org.uk/forms/lets-keep-in-touch). Simply put, we cannot support our patients and hospitals without amazing fundraisers like you!
